1. The Inspectorate-General of militarized and Border Police, previously the highest authority of the militarized and border police in the Soviet Zone of Germany, was dissolved on 1 October 1949. The border police was separated from the militarized police and subordinated to the individual Soviet Zone states. The militarized police was re-organized under the Hauptabteilung Verwaltung fuer Schulung (Department of training and indoctrination) of the new Soviet Zone Ministry of the Interior.

The Department of Training & Indoctrination is organized as follows:
